

## Parent Communication Questionnaire

We are continually striving to improve the communication between ourselves and parents/carers to ensure the best outcomes for our children. Last term we launched the DSM app and we hope that you have taken the opportunity to download this and are finding it useful. Email remains our primary means of communication and we have been attempting to streamline this and consolidate key messages into our Friday newsletter. To help us further improve we would really appreciate your taking the time to answer the following questions.

1. Have you downloaded the DSM app?                      Yes              No
2. If yes, have you found it useful, helpful and/or informative?    Yes    No
3. Please detail any additional information/news you would like to see featured on the app. \_\_\_\_\_
4. Do you read our Friday newsletter?                      Yes              No
5. Is there additional information/news you would like to see featured on our newsletter? \_\_\_\_\_
6. The school is continually asked to send out 'marketing' information to parents on behalf of other parties and we have been trying to minimise what we forward on. We are really interested to seek your views on what you would be happy/not happy to receive in the future and in what format e.g. paper versus email. **Please circle only those you would want to receive information about. Please note we will not be able to act on individual choices but on a consensus agreement.**

**Are you looking for a change? Do you enjoy working with Children? Do you get back into the workforce?**

Working as a midday assistant in our lunch hall is a really rewarding job. You have the opportunity to build relationships with the children and learn their individual characters and personalities. As the supervising adults you will need to ensure the children are eating their lunches; using their manners and following our lunch hall rules. Your main duties will include setting up and clearing down the lunch hall and ensuring that service runs smoothly.

Perhaps you or someone you know has considered applying before but been worried about aspects of the role or application process. We have a lovely friendly team here who would be happy to talk to you about the opportunities we have and what we enjoy about working here. For many of us this was a re-introduction back to work after career breaks due to family commitments. We provide training and as long as you can bring commitment, patience and a positive 'can-do' attitude we are certain of your success.

Please contact the school on 01371 872340 if you would like to speak to someone about the role and/or pick up an application pack. Closing Date for applications is Friday 26<sup>th</sup> January 2017.

Please note previous applicants need not apply.

***The Governing Body is committed to safeguarding and promoting the welfare of children, and expects all staff and volunteers to share this commitment. Successful applicants must be willing to undergo an enhanced DBS check.***
